EDUCATION

University of North Carolina at Chapel Hill, Chapel Hill, NC, USA <i>Master of Arts, Educational Innovation, Technology & Entrepreneurship (MEITE)</i> Specialization: Adaptive Learning Analytics	2026
Satyajit Ray Film & Television Institute, Kolkata, India <i>3 Years Postgraduate Degree in Cinema — Direction & Screenplay Writing</i> Fully funded ICCR Scholarship, Government of India	2016–2019
Visva Bharati University (Founded by Tagore), Santiniketan, India <i>B.Mus (Hons), Drama and Theatre Arts</i>	2009–2012

HONORS AND AWARDS

Professional Fellowship in Entrepreneurship, U.S. Department of State — Global Leaders Division Economic Empowerment: Emerging Leaders from South Asia; hosted by the University of Oklahoma's Gaylord College of Journalism	2025
ICCR Scholarship (Fully Funded), Indian Council for Cultural Relations, Government of India Awarded to pursue postgraduate studies at Satyajit Ray Film & Television Institute, Kolkata	2016
Gold Medal, Secondary School Certificate (SSC), Sonali Bank PLC, Bangladesh GPA 5.0 (Golden A+); ranked among approximately 3,000 of nearly 1 million national examinees	2004

RESEARCH EXPERIENCE

Mathematics Potential Lab (MPL) — UNC Chapel Hill <i>Research Assistant — Supervisor: Dr. Jessica Rodrigues</i> Project KEY (NSF CAREER Award #2237053, 2023–2028): - Contribute to systematic journal analysis examining how mathematics-focused research is communicated to K–12 practitioners, with emphasis on students with disabilities and general education learners. - Support design and evaluation of key abstracts — infographic-style research translation tools aimed at closing the persistent research-to-practice gap in mathematics education. - Co-authoring an empirical research paper with Dr. Jessica Rodrigues on research dissemination and practitioner uptake in math education. - Supervised undergraduate researchers for successful poster presentations at the Science for All Summit. POD — Special Education Faculty Jobs Paired Open Database: - Serve as data visualizer for a multi-year project tracking and analyzing higher education faculty job postings across U.S. higher education institutions. - Design data visualizations supporting both practitioner outreach and research reporting on national demand for special education faculty.	2025–Present
"From Instruction to Interaction" — Graduate Research Project, MEITE Program, UNC Chapel Hill <i>Graduate Researcher</i> - Lead an ongoing design-based research project exploring how AI- and XR-mediated embodied interactions can transform pedagogical practice, integrating learning analytics and interaction analysis. - Presented poster at SITE 2025 International Conference: "From Instruction to Interaction: Designing an Embodied, AI-Supported Learning Ecology."	2025–Present
Montana App — Attention & Storytelling in Digital Learning, UNC Chapel Hill <i>PI & Learning Experience Designer — in collaboration with Dr. Todd Cherner</i> - Designed and prototyped an educational app that detects learner mind-wandering and delivers story-driven re-engagement interventions, grounded in cognitive science. - Planning empirical study with Dr. Todd Cherner investigating how storytelling functions as an attention-retrieval mechanism in digital learning environments.	2025–Present

LEARNING EXPERIENCE & INSTRUCTIONAL DESIGN

- VER Coaching — VR Athlete Performance Lab, Chapel Hill, NC** 2025–2026
Data Analysis & Media Production Intern
- Analyzed VR-generated athlete performance data and designed visualizations communicating actionable training insights to coaching staff.
 - Produced video content across multiple formats to support audience development and establish the startup's identity.
- Mark Cuban Foundation — GenAI Evaluation Tool, UNC Chapel Hill** 2026
Instructional Designer & Prototype Developer
- Co-designed LLM Math Sec, an assessment instrument enabling K–12 educators to critically evaluate generative AI tools for mathematics lesson planning.
 - Built interactive prototype using Figma; conducted user testing and surveys via Qualtrics, and presented findings and recommendations to foundation stakeholders.
- Intuition — Analytical Thinking App, UNC Chapel Hill** 2025–Present
Learning Experience Designer
- Designing an educational app aimed at developing learners' analytical thinking capacities through structured, scaffolded interaction sequences grounded in cognitive learning theory.
- Geometry 360° Virtual Tour — Peabody Hall, UNC, UNC Chapel Hill** 2025
Learning Experience Designer
- Produced an immersive 360° educational video situating geometry concepts (Pythagorean theorem, parallel lines, similar triangles) within real architectural spaces for grades 6–10 learners.
 - Designed to make abstract mathematical ideas spatially and experientially accessible.
- CodeCracker — Educational Game, Cosmic Soup Ltd., Dhaka** 2024
Game Designer & Project Lead
- Designed and led the team in developing an educational game on C programming fundamentals; engaged by 2,000+ high school students in Bangladesh.
 - Shortlisted for the ICT Idea Grant by the Ministry of ICT, Bangladesh.
- Ministry of Education, Bangladesh — Remote Learning Initiative, Dhaka** 2022–2023
Project Lead & Creative Director (contracted via Dreamer Donkey Ltd.)
- Led the end-to-end media production of 200+ curriculum-aligned educational video lessons for a national remote learning initiative, reaching 1M+ learners.
 - Directed and supervised cross-functional production teams (videographers, editors, animators) on compressed timelines, ensuring quality standards and brand consistency.
 - Collaborated with stakeholders (subject-matter experts) and leadership to define project scope and translate curriculum standards into engaging, accessible distance-learning media, with a focus on instructional design principles.
 - Provided guidance and coaching to 100+ primary school teachers on best practices for media creation and on-camera performance for video lesson production.
- Hatey Lekha — Youth Arts & Media Initiative, Dhaka** 2024–Present
Founder & Cultural Initiative Lead
- Founded an arts and culture initiative integrating audiovisual production, music, and publication into community-based programs for underserved youth.
 - Under Hatey Lekha, launched Payntara — a youth-focused micro-OTT platform — providing hands-on filmmaking, storytelling, and media production workshops to young creators, connecting participants with professional tools and mentorship.
-
- ## TEACHING EXPERIENCE
- Bangladesh Cinema and Television Institute (BCTI), Dhaka** 2023–2025
Senior Instructor — Graduate Level
- Designed and delivered graduate-level courses in World Film History I & II and Advanced Screenplay Writing for cohorts of emerging filmmakers.
 - Mentored student film productions from concept through final cut; provided structured feedback on narrative, direction, and post-production craft.
 - Contributed to curriculum redesign as a member of the Syllabus Review Committee (2024–25).

Adjunct Faculty — Undergraduate & Graduate Level

- Taught 3–5 courses per semester across film history, direction, screenplay writing, music video production, screen acting, and literary adaptation; developed assessment rubrics aligned to learning objectives and guided practical productions through all stages of the ADDIE process.
- Mentored student productions, encompassing short films and music videos, culminating in recognition at the Dhaka International Film Festival and an award for Best Music Video of the Year(2024) from the national newspaper Prothom Alo (Bangladesh's highest-circulation daily).

ENTREPRENEURSHIP

Cosmic Soup Ltd., Dhaka

2023–Present

Founder & Managing Director

- Lead strategic planning, product development, and business growth for a startup operating at the intersection of gaming, SaaS, and educational technology.
- Developed Rushpath, an edtech game platform shortlisted for the ICT Idea Grant (Ministry of ICT, Bangladesh), and Kancha, an agro-market platform connecting smallholder farmers with retailers.

GEONICS, Dhaka

2013–2022

Founder & Head of Creatives

- Founded and led a media production company delivering TVCs, documentaries, and television productions for corporate and government clients across nearly a decade.
- Managed end-to-end production: talent acquisition, client relations, creative direction, and quality assurance.

CREATIVE & INDEPENDENT MEDIA WORK (SELECTED)

*Narrative & Fiction***Badhonhara — Feature Film, Black Mirror Films, Dhaka**

2024–Present

Screenplay Writer — Pre-Production

- Wrote the screenplay for a biographical feature film on legendary Bengali poets Kazi Nazrul Islam and Jibananda Das.

bokjon hokjhok — Feature Film, Black Mirror Films, Dhaka

2024–Present

Screenplay Writer & Director

- Writing and directing this feature film, overseeing narrative development, visual design, and production coordination.

Khoka — Animation Series, Mars Solutions Ltd., Dhaka

2023–2024

Screenplay Writer & Creative Producer

- Developed the screenplay and co-led production of this animation series, shaping visual and audio design throughout.

'Who Killed the Father' — Docu-Fiction, Dhaka

2024–2025

Director

- Oversaw narrative structure, production coordination, and editorial direction for a docu-fiction on Sheikh Mujibur Rahman, the founding father of Bangladesh.

Bildakini — Feature Film, Data Solutions, Dhaka

2021–2023

Screenplay Writer & Creative Producer

- Developed the screenplay and co-led production of this national film grant-winning feature film, shaping visual and audio design throughout.

Laal Moroger Jhuti — Feature Film, Pandulipi Karkhana, Dhaka

2021–2022

Post-Production Supervisor — National Award-Winning Film

- Oversaw editing, sound design, color grading, and DCP output, ensuring creative consistency and technical excellence throughout post-production.

*Commissioned & Documentary Work***ATC Day — Docu-Fiction, Bangladesh Civil Aviation Authority**

2024

Director & Producer

- Directed and produced a commissioned docu-fiction for the official Air Traffic Control Day celebration of the Bangladesh Civil Aviation Authority.

Health Awareness Video Series (8 Episodes), Ministry of Health, Bangladesh

2022–2023

Producer & Screenplay Writer

- Produced eight public health awareness videos commissioned by the Bangladesh Ministry of Health for national broadcast and community outreach.

Digital Content Studio, The Daily Samakal

April 2021 – December 2021

Studio Consultant — Dhaka, Bangladesh

- Oversaw the complete setup of the digital content studio, including infrastructure design for talk shows, news segments, and related programs.
- Managed acoustics, soundproofing, and equipment selection to ensure a professional broadcast environment.
- Advised on technical requirements and optimized production workflows to enhance digital broadcasting quality.

Promotional Film — Dubai International Trade Summit, Teletalk Bangladesh

2022–2023

Director & Producer

- Directed a promotional film commissioned by Teletalk Bangladesh (state-owned telecom) for representation at the Dubai International Trade Summit.

TVC — Puriva Rice Bran Oil, Dhaka

2018–2019

Director

- Directed a television commercial for Puriva Rice Bran Oil, managing full production from concept through broadcast delivery.

CONFERENCE PRESENTATIONS

Dash, S. (2025). From Instruction to Interaction: Designing an Embodied, AI-Supported Learning Ecology. Poster session and proceedings paper presented at the Society for Information Technology & Teacher Education (SITE) International Conference 2026.

PROFESSIONAL DEVELOPMENT & CERTIFICATIONS (SELECTED)

Learning Canvas | Designing for Digital Accessibility in Online Learning | Designing with the WCAG 2.2 Guidelines | Using AI for Accessible Design Workflows | Articulate Storyline 360: Advanced Elearning | Adobe Captivate | Project Management Foundations | CITI Research Ethics Training | Statistics Foundations | Introduction to Virtual Reality — Coursera / Goldsmiths, University of London

SKILLS

eLearning & Authoring Tools: Canvas LMS, Articulate 360 (Storyline & Rise), Figma, Adobe Captivate, H5P, Adobe Express, Canva, Camtasia, web app design and development (WordPress, HTML, CSS), multimedia curriculum development

Inclusive Tech & AI Innovation: AI-enhanced curriculum design, Generative AI tools, Openclaw, XR/AR/VR prototyping, data-driven iterative instructional design

Accessibility & Quality Standards: WCAG 2.2 Guidelines, Universal Design for Learning (UDL), Quality Matters (QM) frameworks, digital accessibility auditing (WAVE, axe DevTools, WebAIM Contrast Checker)

Data & Research Tools: R, Python, Qualtrics, Flourish, learning analytics

Media & Production: Final Draft, 360-video production, Adobe Creative Suite (Premiere Pro, After Effects, Photoshop), FCP, CapCut, DaVinci Resolve, audio/video post-production, Panoe, sound design, game design (Unity), cinematography

Productivity & Collaboration: MS Office Suite, Teams, Zoom, Slack, Monday.com, Miro, Milanote

Leadership & Management: Project management, curriculum project coordination, faculty and teacher development, stakeholder communication, strategic planning, cross-functional team coordination

Languages: English (Fluent — C1), Bengali (Native), Hindi (Conversational)

PROFESSIONAL MEMBERSHIPS

Screenwriters Association (SWA), Mumbai, India — Member since 2019

Bangladesh Short Film Forum (BSFF), Dhaka — Member since 2021
